Consumer Brochures For Your Clients

PIA has created a series of nine consumer information brochures designed to help you answer your clients' questions about insurance - what it is, what it does, and how you can help them make informed choices.

Each brochure has space for you to add your agency name, address, and telephone number and is available for bulk purchase from PIA National. Each brochure is sold only in packets of 100* for \$20 per packet.

To view the brochures, please visit our web site at www.pianet.com. Click on "Consumer Brochures" in the "Agency Enhancement Products" section.
