

## Introducing a new program to help you save on prescriptions — even if you have insurance

**Our agency is pleased to provide you access to a new program called RxSavingsPlus<sup>SM</sup>. There is no cost to enroll. This is our way of saying thank you for your business.**

RxSavingsPlus is now available to our clients to provide another way to make your prescription medications that are **not covered by insurance** more affordable. Savings are available to anyone regardless of age, income or insurance coverage. There is no waiting period to participate – print your card now and start saving right away!

**Learn more and print your card at <http://pia.rxsavingsplus.com>**

Use RxSavingsPlus for discounts on medications that are not covered by your insurance — medication to treat diabetes, heart disease, birth control, smoking cessation, weight loss, hair loss, ED and more — even save on many medications for your pet.

### **Save on visits to MinuteClinic®**

MinuteClinic, which is inside select CVS/pharmacies, has nurse practitioners and physician assistants trained to diagnose and treat common illnesses. Simply show your RxSavingsPlus card at MinuteClinic locations and **save up to 10%** on any regular priced health service or screening that is not covered by your insurance.\*

### **Save an average of 22 % on your prescriptions and up to 50 % when you order by mail.**

While savings may vary by drug and by pharmacy, the RxSavingsPlus prescription drug discount card program provides an average savings of 22 percent on retail prescriptions and up to 50 percent on select generic medications through the CVS Caremark Mail Service Pharmacy. To learn more about additional savings available through the mail service pharmacy visit <http://pia.rxsavingsplus.com> or call toll-free **1-877-673-3688**.

The RxSavingsPlus program includes 99 percent of all commonly prescribed brand-name and generic medications, and is **accepted at 9 out of 10 retail pharmacies nationwide**. No membership fees, no enrollment and no waiting makes it easy to start saving immediately.

### **It's easy to save with your RxSavingsPlus prescription drug discount card.**

Using your RxSavingsPlus drug discount card is simple. Just present your card to your pharmacist the next time you purchase a prescription not covered by insurance and then pay the pharmacy. You will always pay the discounted price offered through this program or the pharmacy's retail price, whichever is lower. There is no paperwork, no claim forms and no waiting period!
